Karawang, Jawa Barat

SUMMARY

Full-Stack Web Developer with experience building responsive web applications, client websites, and CMS-based digital products using Next.js, React, Laravel, Node.js, WordPress, and PostgreSQL. Experienced in developing end-to-end features, improving user interfaces, customizing WordPress/Elementor websites, and collaborating with teams to deliver production-ready solutions aligned with business needs.

EDUCATION

Software Engineering (RPL) | 2023 - 2026

SMKN 1 Karawang, Jawa Barat

EXPERIENCE

Web Developer | 2026 - Present

PT Webekspres Teknologi Indonesia, Karawang, Jawa Barat

- Developed and customized responsive websites and landing pages for client projects.
- Implemented UI improvements, WordPress/Elementor customization, and technical website adjustments based on client requirements.
- Collaborated with internal teams to analyze project needs, deliver revisions, and ensure websites aligned with business objectives.

Full-Stack Web Developer Intern | 2025

CV. Smartplus Indonesia, Bekasi, Jawa Barat

- Built responsive interfaces and collaborated with cross-functional teams to deliver features on schedule.
- Led a team to successfully deliver a website development project within the expected timeline

Cloud Computing Trainer Intern | 2025

Yayasan Sagasitas Indonesia, Jakarta Pusat, Jakarta

- Delivered cloud computing and generative AI training to students across multiple schools, improving technical readiness in digital literacy programs.
- Supported program operations and ensured smooth execution of each training session.

Full-Stack Web Developer | 2025

SMKN 1 Karawang, Jawa Barat

- Built a web application for electing student council presidents using Laravel and MySQL.
- Updated and optimized the application's database structure to improve data management and reliability.

PROJECT

Spacelab: Academic Scheduling & Room Management

Laravel Breeze (Blade)

A web application for managing schedules, rooms, teachers, and students, preventing booking conflicts, and providing academic activity reports.

Personal Portfolio Website
